

ALEX ROOFING COMPANY INC.

WHO WE ARE:

Since 1965, Alex Roofing Company, Inc. has been providing quality service to both residential and commercial customers for over 50 years. Through the years, we have steadily grown our business by treating our customers with the respect and honest business policies they deserve. In addition, we're known as leaders in our field. You can depend on us to provide solutions, service and fair pricing.

Our Mission

At Alex Roofing Company, Inc. our Mission is to provide our industry and our community with a professional, dedicated and service-oriented roofing company. We seek to grow and improve daily by being innovative, persistent, and driven by client satisfaction. Our intent is to provide the best roofing solution possible for each customer based upon their individual needs, budget and time parameters.

Our Vision

We strive to be the pacesetter in our profession, known for the high quality of our work and the excellence of our people.

Core Beliefs and Values

We provide our customers with honesty, integrity, and the highest level of service that the industry is capable of providing. Our way of doing business is ethical, fair, and uncompromising. We're proud to do our best on each and every project.

The Meadville Medical Center was a one million plus contract which consisted of EPDM, metal roofing and a complex wall panel system.

The Advanced Manufacturing Project was another one million plus project which consisted of large custom stainless gutters, metal roof and wall panels and a 30 year EPDM roof system

Alex Roofing Co, Inc. completes an average of 1.5 million s.f. of quality commercial-industrial-institutional-residential roofing and metal work on an annual basis.

SAFTY-QUALITY-COMMITMENT

Alex Roofing Co., Inc. was recently awarded the Beacon Lighthouse Award for excellence in commercial roofing and professionalism.

Services

Alex Roofing Company, Inc. provides a wide variety of services to Erie and the surrounding tri-state area. We regularly complete projects along Lake Erie from east of Cleveland, OH to west of Buffalo, NY and to areas north of Pittsburgh, PA. We also complete projects in other geographical areas depending upon client need and circumstances. For questions regarding a specific location or roofing type contact our Commercial Sales Department at **(814) 452-2539**.

Our general services include commercial and industrial roofing, all phases of roofing repair, emergency roofing services, vertical grade waterproofing, residential roofing, custom and standard sheet metal installation, roof maintenance, design consultation services, and crane rental services.
